(THE BENGAL EMBANKMENT ACT 1866).¹

(9th May, 1866)

An Act to make better provision for the acquisition of land for embankments, and other matters relating thereto.

Whereas it is expedient to make better provision for the acquisition of land required for embankments, and for charging the expense thereof upon the owners of lands benefited thereby, Be it enacted — Preamble

1. When it shall be necessary for any Collector to acquire land for the purpose of constructing any public embankment, or of extending or altering any embankment, the superintendence or charge whereof is vested in an officer of Government, the provisions of Act 6 of 1857,² passed by the Governor General of India in Council, entitled "an Act for the acquisition of land for public purposes," or of any other Act for the time being in force relating to the acquisition of land for public purposes, shall extend and apply to the acquisition of such land for the purpose aforesaid, so far as the same shall be applicable, Lands for embankments may be acquired under powers for acquiring land for public purposes

and such Collector shall and may take and acquire such land, and assess compensation for the same, and do all other acts necessary for the acquisition thereof, by and under the powers and provisions of such Act or Acts so far as the same is or are applicable in that behalf, but no such declarations or orders by or on behalf of Government as are mentioned in sections 2 and 3 of the said Act 6 of 1857,² shall be necessary or required.

Any person to whom compensation has been awarded in respect of lands taken shall be entitled to receive the same

¹ SHORT TITLE.—This short title was given by the Repealing and Amending Act, 1903 (1 of 1903), Sch I—see Vol I of this Code. That Act is now known as the Amending Act, 1903—see Act 10 of 1914 Sch II.

LEGISLATIVE PAPERS.—For Statement of Objects and Reasons, see Calcutta Gazette, 1866, p. 203.

LOCAL EXTENT.—Since this Act contains no local extent clause it must be taken to have extended to the whole of the former Province of Bengal. It has, however, been repealed every where except in Orissa and the Sundarbans, by the Bengal Embankment Act, 1873 (Ben Act 6 of 1873) parts of which are printed, post p. 235.

The application of the Act is barred in the Chittagong Hill tracts by the Chittagong Hill tracts Regulation 1900 (1 of 1900) s. 4 (2) printed in Vol I of this Code.

The only portion of the present Presidency of Fort William is Bengal in which the Act is in force is the Sundarbans.

² Act 6 of 1857 was repealed by Act 10 of 1870 which again has been repealed and re-enacted by the Land Acquisition Act, 1894 (1 of 1894). This reference should now be construed to be made to the latter Act—see s. 2 (3) thereof, in General Acts 1887-97, Ed 1909 p. 263.

together with interest after the rate of six *per centum per annum* from the time when the land was taken :

Provided that, notwithstanding anything contained in section 7, *clause 1*, of Act 32 of 1855¹ passed by the Governor General of India in Council, entitled "An Act relating to embankments," it shall not be obligatory upon the Collector to pay to any person, nor shall any person have a right to a civil suit for the recovery of, any money in respect of compensation for lands taken, where the same is payable as hereinafter provided by the persons whose lands are benefited, until and unless the Collector shall have received the same from such person.

Charging cost of land acquired, where lands of different owners benefited.

2. In cases where lands, the property of different owners, will in the opinion of the Collector derive benefit from the construction, alteration or extension of any public embankment, and it is necessary to acquire land for the purpose of such construction, alteration or extension, it shall be lawful for such Collector to charge the cost of such land and the expense attending its acquisition upon the persons so deriving such benefit, in such proportions as in his opinion shall be equivalent to the benefit derived by their lands respectively.

Before assessing such contribution the Collector shall cause a notice to be served on each of such persons, in which it shall be stated what land is being taken, and the purpose for which it is required, and that the lands of such person will derive benefit from the execution of the works, and giving him notice that an inquiry will be held, at a day and place to be named, for the purpose of apportioning amongst the persons whose lands will be benefited by the intended works the cost of the land and the expense of acquiring it.

In case such person does not reside within the district in which his lands are situate, the notice may be served upon his agent, or, if he has no agent therein, it will be sufficient to affix the notice upon some conspicuous part of his estate.

Mode of inquiry as to proportion chargeable to each estate.

3. On the day fixed in the notice, which shall not be less than one month later than the date of service of such notice, the Collector shall proceed to make the necessary inquiry for the determination of the proportion in which the estates affected by the construction, extension or alteration of the embankment will be benefited thereby.

In making this inquiry he shall receive such evidence as may be tendered by or on behalf of the owners of estates which may appear likely to be benefited by the construction, extension or alteration of the embankment as aforesaid, and by and on behalf of any other persons who may claim to be interested, in the said inquiry, and he may make or cause to be made such local investigation, and call for such documents, and examine

(Secs. 4-6.)

such witnesses, as he may think necessary; and all the provisions of the law¹ for the time being in force in regard to the examination of witnesses and production of documents in judicial proceedings shall be applicable to inquiries conducted by the Collector under this Act.

4. The Collector shall and may after such inquiry make an award, in which he shall find and state the names of the persons whose lands will be or are benefited by the construction, alteration or extension of such embankment, and the proportion of the cost of the land and the expense of its acquisition (including therein the cost of the said inquiry) which they ought, respectively, to bear.

Power to make award stating names of owners of lands benefited and proportion of cost payable.

No appeal shall lie from the award of the Collector.

But it shall be competent to the owner of any land assessed to a larger amount than his fair proportion to recover such excess in the Civil Court from the owner of any land or estate benefited thereby upon whom no assessment has been made or a smaller amount has been assessed than ought to have been awarded against him:

No appeal from award, but one owner may recover from another not assessed or under-assessed.

Provided that in such suit no more shall be recovered from any person than the amount to which he ought to have been assessed where he has not been required to contribute, or the amount by which the sum he was required to pay was less than his fair proportion where he has been required to contribute.

5. There shall be included in the expense of acquiring the land so to be distributed amongst the persons benefited not only the compensation awarded to the owner of the land taken, including interest at the rate of six *per centum per annum* from the time when the land was taken, but also the cost of surveys and plans, of notices, of the said inquiry and award, and all other costs, charges and expenses incident to obtaining possession of such land.

Expense included in cost of acquiring land

The amount so awarded shall and may be recovered from the person so required to pay the same in the same way and by the same means² as arrears of Government revenue.

6. When application has been made to the Collector under section 8 of the said Act 32 of 1855³ for the construction of a sluice in any public embankment, and in the opinion of the Collector lands, the property of other persons as well as of the person making the application, will be benefited by the construction of the sluice, the expense of such construction may be assessed upon and recovered from such persons in such shares or proportions as shall, in the opinion

of the Collector, be equivalent in the benefit derived by their lands, respectively :

Provided, nevertheless, that notice in writing shall be served on all such persons, stating that it is proposed to make such sluice, the probable expense thereof, and that an inquiry will be held at a place and hour specified, for the purpose of apportioning the expense of such construction among the persons to be benefited thereby, and that such person is supposed to be likely to be benefited thereby.

And such notice may be served, and such inquiry shall be held, and such award shall be made, subject to the same rules, powers and provisos in all respects as is hereinbefore provided in the case of the apportionment of the cost of land required embankments.

And the said award shall be final: but a civil suit may be brought to recover any excess with which any such person may be charged from persons who ought to have been charged but have not been charged with any portion of the expense or against whom less has been awarded than their fair proportion, as hereinbefore provided with respect to the apportionment of the cost of land.

7. Whenever, in consequence of the construction or alteration of any public embankment, the maintenance of any other public embankment, or the retention of any land appropriated to the purposes thereof, may no longer be required, and the permanent relinquishment of the same may be deemed expedient by the officer in charge of the embankments, it shall be lawful for the Collector to dispose of the site of the embankment, or of the land so abandoned by public sale; and all the provisions of the law¹ for the time being in force in regard to sales of land in default of payment of the Government revenue shall be applicable, so far as the same may be reasonably applied, to sales under the provisions of this section.

The proceeds of such sales shall, after the payment of all expenses incurred on account of the same, be applied to the payment of the cost of the new land taken up for embankment purposes, and in such case the residue only of the cost of such new land shall be apportioned among the owners of lands benefited as hereinbefore provided :

Provided that it shall not be competent to the Collector to sell in the manner aforesaid any land which shall not have been taken up for embankment-purposes under the provisions of this Act.

(f) and warning him that if he fails to give in a list of tenures as aforesaid on or before the said date, he will be deemed to have given up all claim to recover from the tenure-holders any part of the amount for which he may be held liable under section 26.

26. On the date fixed in such notice the Collector shall proceed to consider all objections which may be made to the provisional apportionment, and to make such final apportionment of the expenses as shall seem to him fit.

In making such final apportionment the costs of serving all notices under section 25 shall be distributed rateably among the estates concerned, in proportion to the share of the expenses of erecting boundary-marks which may be apportioned to each estate; and the amount so finally apportioned as payable in respect of each estate, together with the costs of serving notices, rateably distributed as aforesaid, shall be due to the Collector from the *zamindars* of such estates.

27. Notwithstanding anything contained in the last preceding section, the Collector may postpone the final apportionment if it shall appear to him that a notice under section 25 has not been served on the *zamindar* of any estate which should be made liable for a portion of the expenses, or for any other sufficient reason.

28. Any *zamindar* failing to appear on the date fixed in the notice served on him under section 25 will be deemed to have waived all objections to the payment of the amount apportioned to his estate, and will not be entitled to prefer any objections thereto on any subsequent date; and any *zamindar* failing to give in a list of tenures (when called upon under section 25 to give in such list), on or before such date, will be deemed to have given up all claim to recover from the tenure-holders any part of the amount which may have been apportioned as payable in respect of his estate under section 26.

(Part IV—Of the Apportionment and Recovery of Expenses—Secs 29-31)

29. So soon as the expenses shall have been finally apportioned under section 26 among the estates concerned as hereinbefore provided, the Collector shall issue a notice in respect of every estate, specifying the amount finally apportioned as payable in respect of the estate, and requiring the *zamundar* to pay such amount to the Collector, together with the costs of serving such notice, within one month of the issue of the notice.

If such amount be not paid to the Collector within such period, the same, with interest, at such rate not exceeding six per centum *per annum*, as the Lieutenant-Governor¹ may from time to time determine may be levied as provided in section 37.

The notice issued under this section shall assign to the *zamundar*, or to the *zamundar* jointly with tenure-holders the boundary-marks which they are legally bound to preserve under the provisions of section 19, and in respect of which they will be held liable to pay the costs of re-erection maintenance and repair, under the provisions of section 20.

30. If the *zamundar* of any estate shall give in a list of tenures, as referred to in section 25 with an application to the Collector to apportion between his estate and the tenures the amount which has been apportioned as payable in respect of his estate as aforesaid, the Collector shall proceed to make a provisional apportionment of the said amount between the *zamundar* and the tenure-holders, to serve notices on the said tenure-holders in the manner provided in section 25, and to make a final apportionment among the said *zamundar* and tenure-holders in the manner provided in sections 26 and 27, and the provisions of section 28 shall be applicable to such tenure-holders.

Provided that no separate notice shall be served under this section in respect of the provisional or final apportionment of the sum payable in respect of any tenure, if such sum be less than two rupees; but in respect of all such sums it shall be sufficient to publish a list showing the sums apportioned as payable.

Such list shall be published by being posted at the office of the sub-divisional officer and at a conspicuous place in some village within which lands appertaining to the tenure are situate.

32. Whenever any provisional apportionment of the sum payable between the *zamindars* and the tenure-holders may have been made summarily, as provided in the last preceding section,

the notice to be served on the *zamindar* under section 25 shall inform the *zamindar*, in addition to the particulars specified in clauses (a), (b), (c) and (d) of the said section, and instead of those specified in clauses (e) and (f),

that under this Act he is entitled to recover a portion of the amount which shall be finally apportioned as payable in respect of his estate under section 26 from the tenure-holders on his estate; and

that the Collector has made a provisional apportionment of the said sum between the *zamindar* and tenure-holders according to a list which shall be annexed to the said notice;

and shall warn him—

that if he fails to prefer any objection to such provisional apportionment on or before the date specified, he will be deemed to have given up all right to prefer any such objection at any future time; and

that the Collector will proceed to make such apportionment final, or to make any modifications in it which he may think fit:

Provided that the sum finally made payable by the *zamindar* shall not exceed the sum apportioned upon him in the said provisional apportionment between the *zamindars* and the tenure-holders.

33. As soon as a provisional apportionment between the *zamindar* and the tenure-holders shall have been made summarily as provided in section 31, the Collector shall proceed to serve notices on the tenure-holders concerned in the manner provided in section 30, and to do all other things as if the said provisional apportionment upon tenure-holders had been made on a list given in by the *zamindar* under section 30.

15. The Collector may, if no claimant attends, pursuant to the notice, or if for any other cause he thinks fit, from time to time, postpone the inquiry to a day to be fixed by him

Postponement of inquiry

16. If the Collector and the persons interested agree as to the amount of compensation to be allowed, the Collector shall make an award under his hand for the same

Award in case of compensation being agreed on

Such award shall be filed in the Collector's office, and shall be conclusive, as between the Collector and the persons interested, of the value of the said property and the amount of compensation allowed for the same

Award to be filed and to be evidence

17. If the Collector and the persons interested do not agree as to the amount of compensation to be allowed or if upon the said inquiry any question respecting the title to the property of which the value has been diminished, or any right thereto, or interest therein, arises between or among two or more persons making conflicting claims in respect thereof, the Collector shall refer the matter to the determination of the Court in manner hereinafter provided

Collector to refer matter to Court when compensation not accepted

18. If, when the Collector proceeds to make the inquiry as mentioned in sections 14 and 15, no claimant attends, or if any person whom the Collector has reason to think interested does not attend, the Collector shall hold a proceeding and record the following particulars—

Collector to record particulars in certain cases

- (a) the nature and extent of the property of which the value has been diminished and in respect of which compensation is claimed, and the character and extent of the damage done,
- (b) the names of the persons whom he has reason to think interested in such property,
- (c) the amount fixed by him as compensation, and,
- (d) the grounds on which such amount was determined;

and shall place the amount so fixed by him in deposit, there to be held on account of the persons interested, and shall issue a notice to the persons believed to be interested, informing them that the said amount has been deposited as required by this section, and that, should no application be made to the Court (as provided in the next succeeding section) within six weeks of the issue of the notice on the last of the persons named therein, the Collector will pay the amount to any persons legally authorized to receive and to give an acquittance for the same.

And to place amount of compensation in deposit

19. Any person on whom notice may be served under the same last preceding section, and any person interested in any property in respect of which such notice has been issued, may, within six weeks of the service of such notice, apply to the Court stating his objection to the amount of compensation as fixed by the Collector under the last preceding section, and the amount which he claims as compensation

Objections to amount of compensation fixed by Collector

(Part II.—Of the Application of Water for Public Purposes.—
Secs. 20-24).

On receipt of such application the Court shall proceed to determine the amount of compensation to be paid on account of the claim and all other matters, as if a reference had been made to it under section 17.

Procedure in making reference.

20. In making reference under section 17 the Collector shall state, for the information of the Court, the particulars mentioned in section 18.

Procedure on receipt of reference under section 17.

21. On receipt of a reference under section 17 the Court shall proceed, as far as may be practicable, in accordance with sections 19 to 23 (inclusive), and sections 26 to 36 (inclusive), of the Land Acquisition Act, 1870 :¹

Provided that, instead of the last clause of the said section 26, the following shall be read :—“The provisions of this section and of section 11 of the Bengal Irrigation Act, 1876, shall be read to every assessor in a language which he understands, before he gives his opinion as to the amount of compensation to be awarded.”

Particulars of apportionment to be specified.

22. Where there are several persons interested, if such persons agree in the apportionment of the compensation, the particulars of such apportionment shall be specified in the award, whether such award be made by the Collector or by the Court, and as between such persons the award shall be conclusive evidence of the correctness of the apportionment.

Disputes as to apportionment.

23. When the amount of compensation has been settled under section 16, if any dispute arises as to the apportionment of the same or any part thereof, the Collector shall refer such dispute to the decision of the Court.

All costs entailed by such a reference, and the proceedings of the Court thereon, shall be paid by the parties who dispute the apportionment of the compensation, in such proportions as the Court may direct, and the Collector shall not be required to disburse any such costs, nor shall any such costs be recovered from the Collector.

Determination of proportions.

24. When the amount of compensation has been settled by the Court, and there is any dispute as to the apportionment thereof, or when a reference to the Court has been made under the last preceding section, the Judge sitting alone shall decide the proportions in which the persons interested are entitled to share in such amount.

Every appeal under this section shall be presented within the time and in manner provided by the Code of Civil Procedure¹ for regular appeals in suits

25. Payment of the compensation shall be made by the Collector in accordance with the award made by him under section 16, or the proceeding held by him under section 18, if no application be made to the Court as provided by section 19, or the award made by the Court or the decision of the Judge under section 21, or, in the case of an appeal, under section 24 in accordance with the decision in appeal, as the case may be.

Payment of compensation

26. The amount of compensation fixed by any award, proceeding or decision, as specified in the last preceding section, shall be deemed to be the full amount payable by the Government in respect of the claim dealt with therein, and the Government shall not be liable for any further claim to any person whatever in respect of any matter which was the subject of such award, proceeding or decision nor shall any such claim be made against the Government in respect of the payment of any portion of such compensation in accordance with any award, proceeding or decision as aforesaid, or in accordance with any decision of the Judge, or of the District Judge, or of the High Court in appeal, as the case may be, under section 24; and no suit shall be brought to set aside an award or decision under this Act

Every tenant holding under an unexpired lease, or having a right of occupancy, who is in occupation of any land at the time when any stoppage or diminution of the supply in respect of which compensation is allowed under section 11 takes place, may claim an abatement of the rent previously payable by him for the said land, on the ground that the interruption reduces the value of the holding.

Abatement of rent on interruption of water supply

Provided that no part of the said compensation shall have been received by the said tenant in respect of such reduction in the value of his holding.

29. If a water-supply increasing the value of such holding is afterwards restored to the said land otherwise than at the cost of the tenant, the rent of the tenant may be enhanced, in respect of the increased value of such land due to the restored water-supply, to an amount not exceeding that at which it stood immediately before the abatement

30. All sums of money payable for compensation under this Part shall become due three months after the claim for such compensation is made in respect of the stoppage, diminution or damage complained of, and simple interest at the rate of six *per centum per annum* shall be allowed on any such sum remaining unpaid after the said three months, except where the non-payment of such sum is caused by the wilful neglect or refusal of the claimant to receive the same:

Provided that the Collector may at any time invest the whole or any portion of the amount payable as compensation under this Act in any Government securities, and such securities shall be held by the Collector for the benefit of the persons interested, and the persons interested shall be bound to receive such securities with any interest which may have accrued upon them as full payment of the sum which the Collector paid for such securities, and of any sum which he may have paid as expenses incurred in purchasing the same, and of any interest which might otherwise have accrued on such sums.

31. No compensation shall be claimable under this Act in respect of any works executed before it came into force, or of any damage, injury or loss caused by such works.

32. Service of any notice under this Part shall be made by delivering or tendering a copy thereof signed by the officer therein mentioned.

Whenever it may be practicable, the service of the notice shall be made on the person therein named.

When such person cannot be found, the service may be made on any adult male member of his family residing with him; and, if no such adult male member can be found, the notice may be served by fixing the copy on the outer door of the house in which the person therein named ordinarily dwells or carries on business; and, if such person has no ordinary place of residence within the district, service of any notice may be made by sending copy of such notice by post in a registered cover addressed to such person at his usual place of residence.

PART V.

OF VILLAGE-CHANNELS.

Person
defined

46. "Person" in this Part includes any number of persons acting jointly.

Register of
village-chan-
nels to be
kept.

47. The canal-officer shall keep a register of all village-channels, whether already existing or constructed under this Act, and shall note thereon in respect of every village-channel whether it is a public channel maintained at the cost of the Government, or a private channel maintained at the cost of the owners; and shall register the names of the owners of every such private channel.

Extension or
branch of
village-chan-
nel to be
registered.

A village-channel made as an extension of, or a branch to, an existing village-channel shall be registered as a separate village-channel; and so much of the length of any village-channel as lies within the limits of any one village or *mauza* shall be entered on the register as a separate village-channel.

Every section of a village-channel so separately entered on the register shall be deemed to be a separate village-channel in respect of all rights and liabilities imposed by this Act:

Canal-officer
may register

cluding
portions lying
within two or
more villages.

Provided always that, whenever it shall seem fit to the canal-officer for any special reason to enter upon his register as one village-channel a section of a village-channel which includes portions lying within two or more villages or *mauzas*, the canal-officer may, with the consent of the Collector obtained in writing, register such section as one village-channel, and such section shall be deemed to be one village-channel in respect of all rights and liabilities imposed by this Act.

Person may
acquire
existing
village-chan-

48. Any person may, with the consent of the canal-officer, acquire the property in an existing village-channel for the purpose of improving or maintaining it—

consent of the owners and occupiers of the land required therefor

50. Any person desiring the construction of a new village-channel, but being unable or unwilling to construct it under a private arrangement with the owners and occupiers of the land affected, as mentioned in the last preceding section may apply in writing to the canal-officer stating—

Application by person desiring construction of new village channel

that he desires the said canal-officer, in his behalf and at his cost, to do all things necessary for constructing such village-channel,

that he is ready to defray all costs necessary for acquiring the land and constructing such village-channel

51. If the canal-officer considers the construction of such village-channel expedient, he may call upon the applicant to deposit any part of the expense such officer may consider necessary,

Procedure when canal officer considers construction of village channel expedient

and, upon such deposit being made, shall cause inquiry to be made into the most suitable alignment for the said village-channel,

and shall mark out the land which, in his opinion it will be necessary to occupy for the construction thereof,

and shall forthwith publish a notification in every village through which the village-channel is proposed to be taken that so much of such land as is situated within such village has been so marked out,

and shall send a copy of such notification to the Collector of every district in which any part of such land is known to be situate for publication on such land

Such notification shall also call upon any person who wishes to be admitted a joint owner of such village-channel to make his application in that respect within thirty days of the publication of such notification

Notice to person wishing to be joint owner

If any such applicant appears, and his application is admitted, he shall be liable to pay his share in the construction of such village-channel and in the cost of acquiring such land, and shall be an owner of such village channel constructed

52. On receipt of copy of such notification, the Collector shall proceed to acquire such land under the provisions of the Land Acquisition Act, 1870,¹ as if a declaration had been issued by the Government for the acquisition thereof under section 6 of that Act, and as if the Government had thereupon directed the Collector to take order for the acquisition of such land under section 7 of the said Act and (if necessary) as if the Government had issued orders for summary possession being taken under section 17 of the said Act

Collector to acquire land

(Part V.—Of Village-channels.—Secs. 53-57.)

Procedure
after con-
struction of
village-
channel.

53. On being put in possession of the land the canal-officer shall construct the required village-channel; and on its completion shall give to the applicant notice thereof, and of any sum payable by him on account of the cost of acquiring the land and constructing the village-channel.

On such notice being given, such sum shall be due from the applicant to the canal-officer.

On receipt of payment in full of all expenses incurred, the canal-officer shall make over possession of such village-channel to such applicant.

Canal-officer
may direct
transfer of
village-
channel.

54. Whenever a canal-officer considers that the transfer of a village-channel from the owner is necessary for the proper management of the irrigation from such village-channel, he may cause a notice to be served on the registered owner to appear on a certain day, not less than fifteen days after service of notice, and to prefer any objection to such transfer.

After hearing such objection, the canal-officer may order that such village-channel shall be transferred to such person as he may think fit, and that such person be registered as owner of the said village-channel:

Provided that no person shall be registered as the owner of a village-channel under this section, unless he has expressed in writing his willingness to be so registered, and until he has paid to the canal-officer such sum as may be fixed by the canal-officer under section 56.

Person may
be admitted
joint owner
of existing
village-
channel.

55. Any person wishing to become the joint owner of an existing village-channel may petition the canal-officer to that effect, and on receipt of such petition the canal-officer may, if he think fit, issue a notice as provided in the last preceding section upon the registered owner, and, after hearing any objection which the registered owner may prefer against the admission of such applicant to be a joint owner, may direct that the applicant shall be registered as such joint owner.

Canal-officer
to fix sums
payable on
transfer or
acquisition
of joint
ownership.

56. When deciding the question of transfer or of admission to joint ownership under either of the two last preceding sections, the canal-officer shall also determine what amount shall be paid—

as the costs of the proceedings;
as compensation to the previous owners;

and the amount so determined shall be due by the transferee, or the person admitted to registry as a joint owner, as the case may be; and, on payment of such amount, the village-channel shall be transferred, or the applicant shall be registered as owner or as a joint owner thereof, as the case may be.

Canal-officer
may fix rent
for a village-
channel
transferred.

57. Instead of awarding payment of compensation under the last preceding section, the canal-officer may fix an amount of rent to be paid annually to the previous owners by the persons to whom the village-channel is transferred.

Illustration.

In a certain estate separate accounts have been open under section 10 of Act 11 of 1859¹ for the 4 annas share of A, and also for the 5 annas share of B, the accounts of the remaining 7 annas shares being kept jointly in the names of the remaining proprietors C, D and E.

D & E	4 ..

X, if a recorded proprietor of the estate, may apply to the Collector to close the separate account which is open in respect of A's 4 annas share and also the separate account which is open in respect of B's 5 annas share, but as neither of these shares corresponds with the extent of interest held by any one proprietor, or held jointly by two or more proprietors in the estate;

Any of the other proprietors might also make a similar application.

Separate account may be closed and another opened.

(THE BENGAL RENT SETTLEMENT ACT, 1879) ¹

(4th June, 1879.)

An Act to define and limit the powers of Settlement-officers.

Whereas it is expedient to define and limit the powers of Settlement-officers; It is enacted as follows:—

1. This Act extends to all the territories under the administration of the Lieutenant-Governor of Bengal. ^{Extent}

(Commencement). *Rep. by the Repealing and Amending Act, 1903 (1 of 1903), now known as the Amending Act, 1903—vide Act 10 of 1914, Sch. II.*

2. (Repeal of Ben. Act 3 of 1878). *Rep. by the Repealing and Amending Act, 1903 (1 of 1903), now known as the Amending Act, 1903—vide Act 10 of 1914, Sch. II.*

3. In this Act—

“Settlement-officer” means the Collector or any officer in charge of the revenue jurisdiction of a district, and includes any Assistant Commissioner, Deputy Collector or Sub-Deputy Collector whom the Collector or other officer as aforesaid may authorize to conduct the inquiries and proceedings connected with any settlement of land-revenue, and any officer who may be appointed by the Lieutenant-Governor² to make any such settlement: <sup>Interpretation
“Settlement-officer”</sup>

“under-tenant” means any holder of a heritable and transferable intermediate tenure between the Government and the *raiyat* other than a *zamindar*. ^{“Under-tenant”}

¹ SHORT TITLE.—This short title was given by the Repealing and Amending Act, 1903 (1 of 1903), Sch. I—see Vol. I of this Code That Act is now known as the Amending Act, 1903—vide Act 10 of 1914, Sch. II.

(Secs. 4-6.)

Settlement-proceedings not affected by certain enactments.

4. Nothing contained in section 51 of Regulation 8 of 1793¹ or in sections 13, 14 and 17 of Act 10 of 1859,² * * * shall affect any settlement proceedings under Regulation 7 of 1822,³ or under any other law for the time being in force for the regulation of settlements of land-revenue.

Rent to be in accordance with rates sanctioned by the Revenue-authorities.

5. In any such settlement-proceedings the rent recorded as demandable from each *raiyat* shall, except as herein otherwise provided, be in accordance with the general rates sanctioned⁴ or subsequently approved for adoption in such settlement by the Revenue-authorities from time to time empowered in that behalf by the Lieutenant-Governor.⁶

Grounds of enhancement.

6. The Settlement-officer may, on some one or other of the following grounds and not otherwise, record a higher rent as demandable from any *raiyat* having a right of occupancy than the rent which was previously paid by him, namely :—

- (i) that the higher rent so recorded is calculated on rates which are not above the prevailing rates payable by the same class of *rai-yats* for land of a similar description and with similar advantages in the surrounding neighbourhood ;
- (ii) that the enhancement is not greater than is justified by the increase which has taken place in the productive powers of the land otherwise than by the agency, or at the expense, of the *raiyat* since the rent of the *raiyat* was last fixed ;
- (iii) that the value of the produce of the land has been increased otherwise than by the agency, or at the expense, of the *raiyat* since the rent of the *raiyat* was last fixed : and that such higher rent does not bear a higher proportion to the rent of such *raiyat* as last fixed than the normal price of produce at or about the time of the present settlement bears to the normal price of similar produce which prevailed at or about the time when such rent was last fixed ;
- (iv) that the value of the produce of the land has been increased otherwise than by the agency, or at the expense, of the *raiyat* since the last previous settlement of the lands was made ; and that such higher rent does not bear a higher proportion to that which would have been the rent of lands of a similar

description and the same area according to the rates of such previous settlement, than the normal price of produce at or about the time of the present settlement bears to the normal price of similar produce which prevailed at or about the time of such previous settlement, as recorded in the papers of such settlement, or as otherwise ascertained and certified by the Settlement-officer,

- (v) that the quantity of land held by the *rayat* has been proved by measurement to be greater than the quantity for which rent has been previously paid by him

7. The rent recorded as demandable from an under-tenant shall be determined in accordance with the following rules —

Rules for determining rent recorded as demandable

- (a) Whenever the Settlement-officer shall find any person holding as an under-tenant, he shall first ascertain and record whether the tenure so held is binding as against the Government
- (b) If the Settlement-officer finds the tenure to be so binding, the rent recorded as demandable from such under-tenant shall in no case be higher than an amount which shall be ten *per cent* below the aggregate of the rents recorded as payable to him from the subordinate under-tenants and *rayats* whose holdings fall within his tenure
- (c) If the Settlement-officer shall find that the tenure is not binding as against the Government, he shall first determine the proportionate amount of the demand of land-revenue to be assessed upon the lands included in the tenure in accordance with any orders of Government for the time being in force regulating the demand of land-revenue, and shall record the rent payable by such under-tenant at such a sum (not being less than such proportionate amount of land revenue or more than aggregate of the rents recorded as payable to him from the subordinate under-tenants and *rayats* whose holdings fall within his tenure) as may seem fair and equitable with reference to the character and circumstances of the tenure

8. When the rent demandable from any under-tenant or *rayat* is recorded at an amount below that to which the rent of such under-tenant or *rayat* might have been enhanced under this Act, it may be recorded that such under-tenant or *rayat* shall from time to time be liable to pay increased rent from such dates as may be fixed by the Settlement-officer until

Procedure when rent demandable is recorded below that to which it might have been enhanced

(Secs. 9-12.)

the rent paid by him reaches the amount which the Settlement-officer may determine to be properly payable by him under this Act.

Service of
notice of
enhancement.

9. Whenever a higher rent has been recorded as demandable from any under-tenant or *raiyat* than the rent previously paid by him, the Settlement-officer shall cause to be published a copy of the *jamabandi* or extracts therefrom, specifying in respect of each such under-tenant or *raiyat* the rent recorded as payable by him, and in the case of a *raiyat*, the clause or clauses of section 6 of this Act under which his rent is enhanced.

Such publication may be lawfully made by affixing a copy of the *jamabandi*, or of such extracts therefrom as the Collector may think fit, at the *mâl cutcherry* of the village to which the *jamabandi* relates, or at some other conspicuous place therein, and by proclamation by beat of drum in the said village to the effect that the said copy or extracts have been so affixed, and that the *jamabandi* can be inspected at the office of the Settlement-officer.

Suit to
contest rents.

10. Every under-tenant and *raiyat* shall be liable to pay the rent recorded as demandable from him under this Act, unless it shall be proved in any suit instituted by such under-tenant or *raiyat* to contest his liability to pay the same that such rent has not been assessed in accordance with the provisions of this Act.

But nothing in clause (c) of section 7 of this Act or in this section shall be held to limit the discretion of the Court in determining in any suit under this section the rent of an under-tenant of the class described in the said clause (c).

No suit under this section shall be instituted otherwise than within four months after the publication of the *jamabandi*, or extracts as aforesaid, in the village in which the lands which are the subject of the suit or any part thereof are situated.

Procedure in
suits to
contest rent
recorded as
demandable.

11. In all suits instituted to contest the rent recorded as demandable under this Act the Court shall, if it modifies or sets aside such rent, proceed to determine the rent payable by the plaintiff in accordance with this Act, and, if any arrears of rent at the rates determined by the Court are found to be due, shall make a decree in favour of the defendant for such arrears, with such costs as may seem proper.

Enhancement
when to take
effect.

12. If publication of the copy of a *jamabandi* or of extracts therefrom as provided in section 9 of this Act is made within the first six months of the year of the era current in the district, the enhancement may take effect from the beginning of the year in which such publication may have been made; otherwise it shall take effect from the beginning of the next following year.

(Secs. 13, 14.)

13. Rent recorded as demandable under this Act, or fixed by a final decree in any suit as aforesaid, shall not be liable to enhancement until ten years shall have elapsed from the date on which the settlement took effect, or until the period of the settlement shall have expired, whichever may first occur.

Rent to hold good for ten years or until expiration of settlement

14. The provisions of this Act shall apply to all settlement proceedings under Regulation 7 of 1822¹ which may have been confirmed after the commencement of Bengal Act 3 of 1878² or which may hereafter be confirmed or sanctioned by the Revenue-authorities from time to time empowered in that behalf by the Lieutenant-Governor³, whether such proceedings shall have been commenced before or after the commencement of the said Act.

16. The said grantees will, if required by the said Corporation, before opening and breaking up the soil and pavement of any street or bridge under clause 10 of these presents, deposit in an approved bank in Calcutta in the name of the said Corporation the sum of Rs. 5,000. or, in their option, promissory notes of the Government of India or municipal bonds of the nominal value of Rs. 5,000, and the same will remain so deposited until the completion by the said grantees of the lines of tramway herein sanctioned for immediate construction. But all interest accruing on the said sum or the said notes shall be credited to the said grantees, and, subject as next hereinafter mentioned, be paid to them as the same shall accrue due :

Provided nevertheless that the said Corporation shall be entitled to deduct out of the sum so deposited or the interest accruing on the said sum or notes or out of the proceeds of sale of the said notes all moneys to which they may be entitled under any clause or clauses of these presents.

“Certificate officer.”

¹ “Certificate officer” means a Certificate officer as defined in clause (2) of section 4 of the Public Demands Recovery Act, 1895.²

“The Commissioners.”

“the Commissioners” mean the Drainage Commissioners to be appointed under this Act:

“estate” means land included under one entry in the general registers of revenue-paying lands and revenue-free lands, prepared and maintained under the law³ for the time being in force by any Collector of a district, or a share of, or interest in, such land:

“Proprietor.”

“proprietor” means a person who as owner is solely or jointly in possession of an estate:

“Tenure.”

“tenure” means—

(1) a permanent rent-paying interest in land immediately subordinate to that of a proprietor and superior to that of a *raiyat*, extending to not less than one hundred standard *bighas*, affected, or to be affected, by any works under this Act;

(2) a permanent revenue-free or rent-free interest in land affected or to be affected by any works under this Act, when there exists no rent-paying interest in the same land between the proprietary interest in the estate and such revenue-free or rent-free interest:

“Under-tenure.”

“under-tenure” means—

(1) a permanent rent-paying interest in land subordinate to that of a tenure-holder and superior to that of a *raiyat*, extending to not less than one hundred standard *bighas*, affected or to be affected by any works under this Act;

(2) a revenue-free or rent-free interest in land affected or to be affected by any works under this Act, when there exists a rent-paying interest in the same land between the proprietary interest in the estate and such revenue-free or rent-free interest:

Explanation.—The term “permanent” is used with reference to the tenure or under-tenure itself, and not with reference to the person who happens to hold such tenure or under-tenure for the time being. A tenure or under-tenure is none the less permanent, although held by a Hindu widow, a *Sebait* or a person subject to the *Mitakshara* law:

“Landholder and ‘holder of land.’”

“landholder” and “holder of land” mean—

(1) any person who as owner of an estate is solely or jointly in possession thereof;

² Section 22 is in force in this form in Eastern Bengal

(Part II.—Mode of Assessment.—Chapter II.—Valuation of Lands.—Sec. 29.)

29. When the land contained in any estate or tenure has been summarily valued by the Collector in the manner provided by clause (a) of section 27, the annual value of any portion of such land which is comprised within a tenure subordinate to such estate or tenure shall be determined according to the following rules:—

- (1) When the subordinate tenure comprises the whole of the estate or superior tenure, the annual value of the subordinate tenure shall be taken to be the same as that of the estate or superior tenure.

Example.—An estate paying a revenue of Rs. 80 is summarily valued by the Collector under clause (a) of section 27 at Rs. 200. The whole estate is let in *patni* for a rent of Rs. 120. The annual value of the *patni* tenure will be Rs. 200.

- (2) When the subordinate tenure comprises a part only of the land constituting the estate or superior tenure—

- (a) the difference between the annual value of the estate or superior tenure, and the revenue or rent payable in respect of such estate or superior tenure, shall first be ascertained;
- (b) next, the ratio which such difference bears to such revenue or rent shall be ascertained;
- (c) then the amount which bears the same ratio to the rent payable in respect of the subordinate tenure shall be ascertained;
- (d) half of the amount so ascertained shall be added to the rent payable in respect of the subordinate tenure; and
the result shall be taken to be the annual value of the subordinate tenure.

Example A.—An estate paying revenue of Rs. 60 is summarily valued by the Collector under clause (a) of section 27 at Rs. 100. A part only of the estate is let in *patni* for a rent of Rs. 37-8

The difference between the annual value of the estate (Rs. 100) and the revenue paid in respect of it (Rs. 60) is Rs. 40. This difference bears a ratio of two-thirds to this revenue (Rs. 60).

The amount which bears the same ratio (two-thirds) to the rent payable in respect of the *patni* (Rs. 37-8) is Rs. 25;

add half of Rs. 25 to the rent payable in respect of the *patni* tenure, and the result (Rs. 37-8 + Rs. 12-8 =) Rs. 50 will be the annual value of the *patni* tenure.

Example B.—Within the *patni* tenure paying a rent of Rs. 37-8, as in Example A, is a *darpatni* tenure paying a rent of Rs. 27.

The difference between the annual value of the *patni* tenure ascertained as above (Rs. 50) and the rent payable in respect of the *patni* (Rs. 37-8) is Rs. 12-8, which bears a ¹ratio of one-third to the said-rent.

¹ The word "ratio", in Example B, was substituted for the word "rate" by the Repealing and Amending Act, 1903 (1 of 1903), Sch. II—see Vol. I of this Code. That Act is now known as the Amending Act, 1903 (1 of 1903)—vide Act 10 of 1914, Sch. II.

*(Part II — Mode of Assessment — Chapter II — Valuation
of Lands — Secs 30-34)*

The amount which bears the same ratio (one third) to the rent payable in respect of the *darpatti* (Rs 27) is Rs 9
Add half of Rs 9 to the rent payable in respect of the *darpatti* and the result (Rs 27 + Rs 4 8 =) Rs 31 8 will be the annual value of the *darpatti* tenure

30. When the land contained in any estate or tenure has been summarily valued according to a rate per acre, under clause (b) of section 27, or under section 28, the annual value of the land comprised in any subordinate tenure shall be taken at the same rate per acre as that of the estate or superior tenure

When such land may be valued according to rate per acre

31. The holder of any estate or tenure which has been summarily valued under section 27 or 28 may, within one month from the posting of the valuation-roll in respect thereof under section 35, lodge a return in the form in Schedule A contained in regard to such estate or tenure, and thereupon such return shall be deemed to be a return made as required by section 16 and shall be dealt with accordingly

Holder of summarily valued estate or tenure may lodge return

32. Instead of proceeding to value any estate or tenure summarily under the provisions of section 27 or 28, the Collector may, if he think fit, cause a notice to be served in respect of any such estate or tenure in the Form No I in Schedule B contained, or in the Form No II in the said Schedule contained, as the case may be, and thereupon all the provisions of this Part shall apply in the same way as they would have applied if the annual Government revenue or rent payable in respect of such estate or tenure had exceeded one hundred rupees

Collector may value small estate or tenure by regular process

Lands used for Tea, Coffee or Cinchona

33. In the case of lands acquired under any rule issued by, or under the authority of, the Government for the sale, lease, grant or clearance of waste-lands, or held directly from Government, and used for the cultivation of tea, coffee or cinchona, the Collector shall, in lieu of the notice prescribed by section 16, cause a notice to be served calling on the holder of such lands to lodge, within two months of the service of such notice, a return in the form in Schedule C contained, giving the particulars in such form set forth, and the annual value of such lands shall be fixed at ten rupees in respect of every acre therein entered as cultivated, unless the Board of Revenue shall in any particular case prescribe a lower rate

No rate to be charged during vacancy.

No such rate shall be chargeable to any person on account of any unoccupied holding for the time during which it may remain unoccupied:

Notice of cessation of occupancy to be given within seven days.

Provided always that, when any person ceases to be the occupier of any holding upon which the rate has been assessed, he shall give the Commissioners notice to that effect within seven days from the date of the cessation of his occupancy. Situation of gas pipe or other gas work to be altered at the expense of the Commissioners

Provided that such alteration be not such as permanently to injure such pipe or work, or to prevent the gas from flowing as freely and conveniently as before, and the expenses attending such raising, sinking or altering, and full compensation for the damage done thereby, shall be paid by the Commissioners out of the municipal fund as well to the person to whom such pipe or work belongs as to all other persons

318. If the person to whom any such pipe or work belongs, or under whose control it may be, do not proceed forthwith, or as soon as conveniently may be, after the receipt of such notice, to cause the same to be raised, sunk or altered in such manner as the Commissioners require, the Commissioners may themselves cause such pipe or work to be raised, sunk or altered as they may think fit
